

2020 PFA Annual Symposium Sponsor Form

Dear _____:

Pennsylvania Forestry Association is writing to ask your support of our 2020 Annual Symposium – *“Exploring Change in Penn’s Woods”*.

Like many organizations dealing with the COVID19 situation, PFA has decided to revamp the annual symposium for a “virtual” meeting. While a bit of a challenge, we are excited about this opportunity to continue our 134 year annual tradition in this new format. The symposium will be carried out over five consecutive days with a 1-hour live feed on each day; as well as being available for download afterward.

We hope that you will consider being a part of this effort. All donations will go directly toward the production and advertising effort. In return for your support, sponsors will be recognized in promotion materials, on the PFA website, and in the opening and closing banners for each day’s presentation.
